DO WHAT YOU DO SO WELL!

Do what you are good at, and let us do what we do well! At Greenland Travel, we specialize in business travel, and we know every part of our huge country. Send us your travel wishes and then concentrate on your business in Greenland. We will devise itineraries for planes, boats, or helicopters and find you the perfect accommodation.

Security is a keyword when you travel with us. Our huge network and knowledge of logistics are crucial

to the busy traveler who has to visit several places in Greenland. At times, some places can only be reached by boat, others only by helicopter. Let us know where you want to travel from and where you want to go in Greenland, and let us know how much time you need in each place. Then we will solve the puzzle for you! We give you peace of mind throughout your trip. This way, you just have to concentrate on the things that you do so well.

Contact us and hear about the advantages of being a business customer with us!
